JACKSON HOLE'S WINTER LEGACY CONTINUES with LODGING DEALS, LEGENDARY BARS, a NEW HIGH-SPEED QUAD and an "ALL BLUE" AREA

WEST TRENTON, NJ - (Special by SKIER NEWS) - There are many great ski towns in North America but few are like Jackson, Wyo. What ski town gets more visitors in the summer than in the winter? The answer is Jackson Hole, and that provides the beginning for great deals.

Jackson is the gateway to Yellowstone and Grand Teton National Parks, and it bustles with summer tourists, tour buses, campers and those passing through the parks from Montana or Idaho. Compared to summer, winter lodging almost grinds to a halt. Until the late 1990s, many hotels and restaurants closed for the winter.

Now, with the successful marketing efforts of Jackson Hole Mountain Resort to get more flights and more guests, Jackson's bars, restaurants and lodges are open for business when the snow falls. Since there is an abundance of rooms, deals are plentiful.

Air Accessibility is the Key

Jackson has nonstop flights from 12 major U.S. cities; Atlanta, Chicago, Dallas, Denver, Houston, LA-LAX, Minneapolis, Newark, Salt Lake City, San Diego, San Francisco and Seattle. Blackout dates apply and if book early you can earn a \$400 airfare credit, per person.

Call 1-866-265-4037. Other deals are also available.

The airport (JAC), with its recently completed new luggage system and \$30 million dollar expansion over the past years, now presents a most efficient and comfortable arrival and departure experience. Jackson Hole Mountain Resort is a short 30-minute drive from the airport. It offers convenience and proximity to one of the most beautiful winter playgrounds. You will not encounter a four-lane traffic back-up or mountain passes on your trip from the airport to your lodge. However, you may need to slow down for a herd of elk or bison crossing the road or a lone moose looking to get in the way.

Solitude Station: The Standard in Learning

Solitude Station was one of many offerings in Jackson Hole's continued devotion to skier-progression and the family experience. The newest on-mountain center for learning and

JACKSON'S NATIONAL ELK REFUGE - SIMPLY AMAZING

JACKSON HOLE, WY - Not many ski towns have a day off experience that compares to Jackson Hole with the Jackson's National Elk Refuge. Thousands of elk return each winter as they are fed until spring. When the snow melts their higher habitat food source returns. You can bundle up and climb onto a sleigh ride, via a private contractor Double H Bar, Inc., right into the elk herd. The National Elk Refuge also offers educational and daily programs at the Jackson Hole and Greater Yellowstone Visitor Center. Please call (307) 733-0277 to book your ride.

growing at JHMR for kids and adults alike. Solitude is located a short 2-minute gondola ride from the base area. The expansive lodge at the Sweetwater Gondola mid-station, thoughtfully designed with 12,000 square feet of dining, rental, and the Mountain Sports School home base, is a premiere amenity for many guests looking to improve their skiing and riding. It is geared for kids ages 7 and up, as well as families and group lessons. Solitude Station is designed to maximize learning development in an empowering and constructive atmosphere. This is a state-of-the-art concept unique to Jackson Hole and its unmatched mountain environment.

The building is open for family après experiences at peak times of the year and available for private events in both summer and winter.

All-new, All-blue a Big Success

The buzz around the mountain a few years back was the creation of an "all-blue" section of the mountain in the Casper area. In an effort to make intermediate skiers more comfortable on the mountain and to continue to broaden the appeal of Jackson Hole Mountain Resort, a new, high-speed, four-passenger detachable chair opened in December 2012, the new Casper High-Speed Quad.

Along with the new lift, extensive grooming, expanded and improved this classic blue terrain. This created a completely new experience to this previously under used area.

The new Casper area was well received when it opened in 2012-13. In 2013-14, another snow cat was added to the fleet to increase grooming capacity even further. This intermediate playground has its own on-mountain restaurant to add to the convenience. And now, there is more access from the faster Casper Lift, Sweetwater Gondola and new Eagles Rest quad.

Jackson has 4,139 vertical feet of awesome trails spread out over 2,500 acres, half of which are beginner and intermediate terrain. You will have a large number of trails to pursue regardless of your ability. If you are in doubt about which groomed trails are the best for your ability, they offer complimentary Mountain Host tours to acquaint you with the mountain.

In the 2015-16 season, Jackson added the The Teton Lift, a high-speed quad that expanded in-bounds terrain and added 200 acres in-bounds skiing. This amounted to the addition of 1,620 vertical feet above Jackson's Après Vous area.

The Thunder Lift Became a High-Speed Quad Winter 2023

Jackson Hole once again upgraded their lift system as they replaced the regular speed Thunder Quad with a high-speed quad. The result is easier and faster access to the famed Laramie Bowl as well as Grand Trail to the Sublette Quad. It will also provide quicker access to Amphitheater, which is a beautiful blue-rated bowl and trail. Catch a glimpse of this high-speed machine in the Nov. to Jan. 2024 cover section of SKIER NEWS.

The Tram Challenges on Mountain Adventure Seekers

No other resort can whisk you 4,189 feet from the base like the JHMR Tram. At the top many adventures await. From the fairly benign, at times, Rendezvous Bowl on your left to the challenges of Tensleep Bowl and Cirque on your right. The famed Corbet's Couloir is just below you, again this area is for experts. So much so that the original founder and owner Paul McCollister charged an extra \$2 to ride the tram just to discourage non-experts from attempting the terrain. The best part of riding the 4,139-foot tram is that the base sits at 6,311 feet above sea level and the top of the tram is at 10,450 feet. Altitude sickness is rare.

Unique Dining in Jackson

Cowboy and Old West themes abound at the eating establishments along the Town Square and throughout Jackson. These include the famous Wort Hotel Bar and Restaurant with 2,032, U.S. Mint, 1921 Morgan Silver Dollars embedded in the top of the bar. First timers to the bar are easy to identify since they can be seen trying to scratch and lift a silver dollar from its embedded perch.

The world-famous Cowboy Bar, across from the Town Square, has a restaurant and pool tables. All of their bar stools are saddles, which makes them as unique as the gnarled tree pillars in the bar area. Bands are common, and so are the line and swing dances.

Snake River Brewery Keeps Brewing and Celebrating 30 Years

The newly renovated Snake River Brewery was back serving beer and food at their brew pub after closing for extensive renovations. The extensive remodel is befitting the establishment as they move forward. A modern, friendly establishment awaits you. You will see why the locals have dubbed the Snake River Brewery "Jackson's Living Room."

They also continue to bottle and can their award winning brews for purchase at local liquor stores in Jackson and beyond. For more on the beers and great food menu at the brew pub, log on to: www.snakeriverbrewing.com

The Famous Town Square

A beautiful, one-square-block park sits in the heart of the downtown area and it is a huge attraction. It is famous for its corner entrance arches which are made from elk antlers. In the springtime the elk at the National Elk Refuge shed their antlers naturally. Boy Scouts, among others, collect the arches which are auctioned in the park. The money raised is spent for food for the elk returning to the Refuge.

Lodging deals abound

With the abundance of rooms to accommodate the mass of summer visitors, winter lodging costs are often half of what their summer rates are. The supply of rooms is constant, the demand is lower in winter, and skiers and snowboarders win with great deals.

There is an adventure for every season in Jackson. You can visit Yellowstone National Park by snowmobile, or hike and snowshoe in Grand Teton National Park. Both are unique, scenic and great winter attractions.

From fly fishing on the Snake River, to snow skiing at Jackson Hole, the area offers some of the best winter experiences in the world.

JACKSON'S SNAKE RIVER BREWPUB IS "JACKSON'S LIVING ROOM"

JACKSON, WY – Relive your Teton adventure with an award winning beer and delicious meal to match at the Snake River BrewPub. They offer a seat for everyone, from the kiddos to the shredders to the lifelong adventurers. Local or visitor, live the Jackson life and unwind with friends at the BrewPub, "Jackson's Living Room."

At the BrewPub, you will find reasonably priced food items from sandwiches to pizzas to pastas and beyond with a kids' menu to match. Their head chef sets a high standard in the kitchen. Nearly everything is handmade. All of the breads and desserts are created in house using only 100 percent organic flour.

The Snake River Brewery and the Brewpub inhabit an old cinder block building that was previously the base of operations for

a Coca-Cola distributor. It seemed to be the perfect spot for Wyoming's first brewpub. The owners wanted an open industrial look, with lots of light and exposed steel beams. The brewing equipment and wood burning oven would be the artwork.

The concept was to create a restaurant and brewing space that was open to the customers to draw guests into the process of making beer. They wanted a simple and unpretentious neighborhood watering hole for locals to gather and Jackson Hole tourists to taste beer from the Great State of Wyoming. From the beginning, they were determined to create a brewpub building that was architecturally excellent in style and offered excellent food and beer. The Snake River Brewery is located at 265 S. Millward Street in the town of Jackson, Wyo. It is only a few blocks away

from the famous Town Square and walking distance from downtown Jackson hotels.

FEEL the REAL UNREAL in MAMMOTH LAKES, CALIF.

MAMMOTH LAKES, CA – Let us address the Mammoth in the room. Last year, Mammoth Lakes had an unreal record-breaking ski season with a whopping 700-plus inches of snow. BEAVER RUN RESORT OFFERS BEST SKI-IN/SKI-OUT LOCATION in BRECK

BRECKENRIDGE, CO – It is all about location, location, location. Beaver Run has one of the best ski-in/ski-out locations in Breckenridge, with its own Beaver Run SuperChair right at the base of Breckenridge Ski Resort's Peak 9. The property is also just a short walk or free shuttle ride to Main Street Breckenridge.

Some people describe Beaver Run as a win-win. It combines the cozy and unique feeling of staying in a privately owned condo, many of which have their own kitchens and wood-burning fireplaces, with the benefits of a full-service hotel in a ski-in, ski-out location.

Beaver Run offers an array of lodging accommodations from four-bedroom fully furnished condominiums to hotel-style rooms. In addition, the resort provides guests with on-site restaurants, two heated pools, nine hot tubs, an arcade and mini golf, ski storage, and The Spa at Beaver Run. They are all located on property.

Once you are in Breckenridge, simply step outside your Beaver Run "home away from home" and you are ready to start your day from the Beaver Run SuperChair. Beaver Run offers slopeside ski lockers; for some, this is the best perk at the resort. From there, explore Breckenridge's 155 trails on five peaks spread across more than 2,300 acres of skiable terrain.

Plan to come back to your condo to recharge, warm up or eat lunch and then easily get back on the slopes. It does not get any easier than Beaver Run when it comes to a family-friendly ski day with slopeside access to Colorado's world-famous skiing and snowboarding in Breckenridge. Make sure you plan to enjoy Beaver Run's outdoor BBQ on warm, sunny days.

Beaver Run has the best decks in Breck, so enjoy the views. The people watching and some of the most delicious slopeside food and drinks are right at the base of Peak 9.

After you ski the day away, return to Beaver Run for a relaxing massage at The Spa at Beaver Run. Just make an advance reservation at (970) 453-8757.

Make some time to soak in one of Beaver Run's nine hot tubs and take the plunge into one of Beaver Run's heated pools.

Next, it is time for dinner. You have worked up an appetite, so indulge a little. Spencer's Steaks & Spirits is a mountainside restaurant located conveniently within Beaver Run. It is also designed for larger groups and special occasions. Spencer's features a traditional steakhouse menu along with some items for vegetarians and vegans, and signature classic cocktails.

Alternatively, enjoy a feast back in your condo or in the arcade or pool area. Place a to-go order at Skywalk Market and dine with views of the Rocky Mountains and a roaring fire or while the kids are entertained so you can relax and enjoy. Make sure to reserve a condo with a kitchen area and a wood-burning fireplace. It is worth it.

Do not forget to take a stroll down to Main Street Breckenridge during your stay. You will be rewarded with a taste of the town's history, lots of people watching, and plenty of shopping. Shop local, stock up on your souvenirs and local artisan treasures. Beaver Run's Skywalk Market also has souvenirs and items you might have forgotten, like toothpaste, snacks, drinks, and more.

Whether you are a hard-charging skier interested in the first chair experience, a family looking for comfort, ease and affordability or a romantic couple in search of a relaxing getaway, Beaver Run Resort is your home sweet mountain home with the best location and the friendliest service. Come home to Beaver Run.

PEAK PROPERTY KEEPS IT FRIENDLY in BRECKENRIDGE

Breckenridge, CO - Peak Property has all the best places to stay for skiing and for town events like the "Lighting of Breckenridge" pictured above. Photo courtesy of Peak Property

BRECKENRIDGE, CO – If you had the opportunity, would you call a friend that knew all about your next vacation destination?

Suppose that friend had lived in the area for years and knew the nicest places to stay, the best restaurants to sample, and the fun activities to try. There is one company in Breckenridge that has that kind of knowledge, Peak Property Management. Your friends, in this case, are people who live and play in Breckenridge. They know the best places and have all the answers. Peak Property Management has been in Breckenridge since 1986 helping homeowners and guests from all over the world.

They offer wonderful vacation rental options in this beautiful and historic town. Peak Property has locations throughout Breckenridge. Choose from ski-in/ski-out, shuttle serviced or secluded sites. These properties range in size from studios to 4-bedroom homes. All of the properties are close to the charming Victorian town and the Breckenridge Ski Resort.

When you start to plan your trip, ask yourself these questions: What dates will we arrive and depart the resort? Consider some of the special travel dates during the year.

Lighting of Breckenridge – Dec. 3, 2022 – The first weekend of December kicks off a festive holiday scene in the streets of Breckenridge. Hundreds of Santa look-alikes race down Main Street to kick-off the holiday season. Hang out post-race to watch the town transform into a real-life holiday card, thanks to more than 250,000 LED lights. The iconic lights in downtown Breckenridge are one of the most photographed sights during the snowy months and continue to shine and spread hope all winter.

Ullr Fest, Dec. 8-11, 2022, celebrate the 59th annual Ullr Fest, Dec. 8-11 as Breckenridge invites locals and visitors of all ages to praise Ullr, the Norse god of snow. Enjoy a parade, bonfire, drop-in curling, ice skating, and other festivities.

The International Snow Sculpture Championships has its Carving Week, Jan. 23-27, 2023; and its Viewing Weekend, Jan. 27-Feb. 1, 2023.

This is a world-renowned snow sculpting competition where 16 teams from around the world descend on Breckenridge to hand-carve 20-ton blocks of snow into enormous, intricate works of art. Artists are only allowed to use hand tools, creativity and inspiration to bring their ideas to life. No power tools are allowed. Teams sculpt countless hours across five days (totaling around 96 hours), resulting in a temporary outdoor art gallery in the historic downtown.

How many in your group?

Next, ask yourself how many people are in the group and what kind of accommodations will you need (are there couples or single people)? Are there any locations or amenities that you want (does it have to be close to the slope or more secluded)? Your lodging is usually the most important part of your travel package, so chose a property that meets everyone's expectations. If you always have dreamed of a cabin in the woods, let the agent know. Maybe being close to town and the slopes is more important to your family or group.

Based on the location of your lodging, you may not need to rent a car and can leave the driving, and gas prices, to someone else. Many times this will save you money.

Complete your travel package with the following: snowmobile tours, sleigh riding, dog sledding, fly-fishing, horseback riding, hot air balloon flights, scenic tours and more. The choices are yours.

Contact the friendly staff at Peak Property Management and they will customize your vacation package to Breckenridge.

UTAH SKI RESORTS RECAP the RECORD-BREAKING 2022-23 SEASON

SALT LAKE CITY, UT – After an exceptionally snowy season, Utah ski areas were thrilled to announce a record-breaking 2022-23 winter season in snowfall and visitation. At least 12 out of 15 Utah resorts broke all-time snowfall records and the remaining three resorts experienced their snowiest seasons since at least the 2014-15 season. Alta Ski Area finished the season with an astounding and record-breaking 903 inches of snowfall. Snowbird even reopened for Father’s Day Weekend on June 17-18. Ski Utah announced a record-breaking 7.1 million skier visits for last ski season.

The 2022-23 season had a fantastic start, with resorts opening earlier than originally anticipated due to an abundance of early snowfall. The snow just didn’t stop falling until May,” said Nathan Rafferty, President of Ski Utah. “We are thrilled to have been a part of this historic season of endless powder days, record-breaking snowfall and boundless fun. There was still some skiing to be had in Utah as we headed into summer.”

Utah’s skier visits for last season increased about 22 percent over the previous record-breaking season of 5.8 million skier visits in the 2021-22 season. This is likely due to increased operating days after an early start and late end to the season. Plus, “the skiing was just that good,” said Rafferty.

According to the National Ski Areas Association, the ski industry is a major contributor to the United States economy with over \$55 billion in retail spent and more than 533,000 jobs across all 50 states. In Utah, ski and snowboard visitors spent \$2.54 billion throughout last ski season, up 8 percent from the previous season’s \$2.35 billion. Additional individual records broken in 2022-23

Utah had 44 Utah Powder Days of more than 12 inches in a 24-hour period. The yearly average is 19.

Eagle Point had nine Powder Fridays, more than 12 inches of snowfall from prior week’s closing.

Alta Ski Area had 903 inches of snowfall, the most snowfall ever at a resort in Utah. The previous record was 748 inches in the 1981-82 season. Alta saw an average of 5.1 inches per day throughout the season, and in March, they saw 229 inches of snowfall, which is 244 percent of average.

Solitude had its longest season ever at 192 days and its snowiest season ever at 816 inches.

Snowbird broke its previous snowfall record of 783 inches set in 2010-11 and ended above 838 inches. The resort also has had 47 days with 6-inches of new snow or more.

Powder Mountain recorded its highest snowpack since 1977 at 156 inches. The longest stretch of time without snow was a scant five days.

Brian Head Resort was the earliest to open for season in Utah on November 4, 2022. They celebrated their longest season ever and extended its season all the way to May 7, 2023. The resort also experienced the most snow they have had in over 10 years at 448 inches.

Cherry Peak experienced 466 inches of snowfall, a 60.4

GOT SNOW?

SALT LAKE CITY, UT - There is nothing like a record breaking ski season to whet the appetite for more snow the following year.

Ski Utah resorts, all 15 of them, had huge snowfall years as rivers of moisture inundated the western U.S. from the early season through the holidays and well in to Spring.

Will it happen this year? We can profoundly say, “Why not.”

So check your apps for snowfall. Log on to SKIER NEWS at www.skiernews.com for updates.

And listen first-hand to our SKIER NEWS podcasts for info from locals on the scene for first hand insight. Find the podcasts at www.AlwaysUpright.com

percent increase over its previous record of 287 inches.

Deer Valley Resort experienced its longest and snowiest season on record, as well as its snowiest month on record in March with an unbelievable 160 inches of snow.

Nordic Valley experienced its longest and snowiest season on record.

Sundance Resort announced its highest base on record: 177 inches in April. The prior record was 129 inches. Sundance’s ground team shoveled an astounding 45 tons of snow from pathways and decks. This does not include parking lots.

Park City Mountain celebrated its longest season in 30 years and extended its season all the way to May 1. The resort also experienced its snowiest season on record at 636 inches.

Snowbasin had its longest season on record with an astounding 157 days of skiing. Snowbasin blew past its previous snowfall record of 475 inches in the 1981-82 season and ended the season with 613 inches. The resort received more snow this season than the previous two seasons combined.

Woodward Park City enjoyed its earliest opening on record, as well as its snowiest and longest season to date.

The National Ski Areas Association defines ‘skier days’ as one person visiting a ski area for all or any part of a day or

night for the purpose of skiing/snowboarding.

With a great snow year behind them, resorts are on track for another great season, but perhaps not as record breaking. As Alta Ski Area claims, “We’re ready for an encore!”

MOUNTAIN SPORTS CLUB SAVES YOU MONEY on the SLOPES

BOULDER, CO – Mountain Sports Club is an online service where skiers, snowboarders, mountain bikers, rafters and general outdoor enthusiasts can print personalized coupons and save on lift tickets, lodging, bike parks, activities, travel bookings and shopping at online and offline retailers and suppliers across North America.

Premium members enjoy BOGO/2 for 1 Lift Tickets and daily savings at resorts throughout North America all year. Bike parks, rafting and activity offers provide savings all year. Your membership is good for one year and in each season. Mountain Sports Club is entering its 17th season providing value and savings for mountain sports enthusiasts. Discounts are available at resorts and areas from coast to coast.

In recent years, it has developed more year-round offers because skiers and snowboarders visit and play in the mountains all year. From small local areas to destination resorts, there are many options for members to save on their next mountain visit.

The premium Mountain Sports Club membership is a great complement to the many season pass options. Available are lodging, gear, shop offers and activities in the towns where passes and multi area passes are valid. The membership is a great stand-alone service for beginners and those returning skiers/snow-

boarders who are not sure how often they will get out to the mountain. With lift ticket prices soaring to the \$300 mark in certain areas, and membership cost under the price of a modest priced lift ticket, one only needs to use the membership once to pay for the membership price. Early season memberships are as low as \$15 and there is a 2-year option for only \$25. Next price increase will be Nov. 15 and will keep increasing as more areas open. In season, cost is \$60 annually.

Some of the offers are valid every day with no restrictions while some areas black out holiday and peak periods. While many of the larger multi-area pass resorts do not offer lift ticket discounts as they push more pass sales, Mountain Sports Club works to make sure there are lodging, shop and activity discounts in the respective towns to provide value not covered by many of the passes.

The Mountain Sports Club membership is an affordable alternative, offering infrequent participants more access to more areas with a significantly lower price of entry. Some of the offers simply require using a promotion code when making a purchase while others require presenting the voucher/coupon when redeeming with a valid ID. There is also the Premium plus option where there is a one-day lift ticket included with membership in

select areas. These are limited and sell out quickly.

As an online service, the Mountain Sports Club is consistently adding new vendor partners throughout the year and updating members on these new offers via the email newsletter and on social channels. Recently it has started to expand to some European and international destinations and expect this to grow. A discount on equipment from sponsors is also a unique offering that continues to grow and expand. Shop discounts include savings on tunes, service, gear, rentals and more. Members also receive special emails from partners with unique offers targeting members.

Be sure to visit www.mountainsportsclub.com to review the many discounts and offers. Look in the upper right hand corner for purchase a membership to get your membership now. Stay in touch by following on different social channels as well. Use the membership once and it is paid for, use it often and save hundreds.

NO NAME SALOON – PARK CITY'S ICON on MAIN STREET

PARK CITY, UT – Located at 447 Main Street in downtown Park City, No Name Saloon is one of the friendliest, most famous and best bars in all ski towns. Rumor has it that they sell more beer and more buffalo, actually bison, burgers than any establishment in Utah. With no beef burgers on their otherwise varied menu, the buffalo burgers are their most popular dish, and are served with homemade chips. You can easily find their menu at www.nonamesaloon.com/pdf-menus.

It was once one of Utah's private clubs until the laws changed in 2009. Since then No Name invites everyone to enter and chow down on their world famous buffalo burger and sip a brew from their large selection of local beers, whiskey, spirits and craft cocktails. Hint, all tap beers in Utah are by law maximum of five percent alcohol. Canned or bottled beer may be more or less strong. Enjoy your favorite brew to suit your personal taste.

No Name Saloon has interesting spaces for hanging out, or hosting a group or private event. The first floor bar area is a museum of Park City and Americana artifacts. TV screens, tuned to sports channels, are abundant on every level of the bar. The music from their speaker system is loud and the vibe is louder. This is not the place for an intimate, romantic first date.

The Spaces of No Name

No Name is a pretty big place. Over time, it has grown to include some unique spaces like the original Main Bar downstairs, the year-round heated rooftop patio and the latest addition of The Loft. If you are out with the family, there is the Annex Burger family dining room next door. You can always find a great place to hang out. Spaces are available for groups and private parties.

Main Bar

The original building footprint has been a barroom since 1959. Note the arched brick ceiling. The decor has been collected from all over the place and each piece has a unique story. The kitchen and back area were added on in 2007. The kitchen was renovated in 2020.

Mezzanine

Take a walk through the main bar, and take the stairs on your right leading up to The Loft and Mezzanine. Keep going up the stairs and you will land in the Mezzanine, a cozy little bar that also services the Rooftop. This is a great little place to hangout and chat with

PARK CITY, UT - On the left, a beautiful July day on Main Street as visitors pass under the No Name Saloon sign. In any season, No Name is ready to welcome you to their unofficial museum. Among the memorabilia, you will be greeted by John Wayne and Elvis posters. If you look up you may even see a motorcycle hung from the ceiling. Trinkets large and small will keep you amused while you enjoy a Buffalo Burger and beverage.

the bartenders when they have a little down time, which is not often. This area was part of the 2007 expansion, which included the Rooftop Patio.

Year-round Rooftop Patio

Through the back doors of the Mezzanine is the Rooftop Patio, one of the favorite places in Park City. You can hang out here any time thanks to the overhead radiant heaters and the heated floor. Work your way down to the end, and you can get a great view of Historic Main Street.

The Loft

On your way up the stairs, hang a right on the landing and you are in The Loft. Pull up a seat at the long bar made from up-cycled basketball court floor. Or slip into one of the super cushy booths under the crystal light of the vintage chandeliers. The Loft has lots of TV's; it is a great place to catch a game. It is also the perfect place to host a private event.

Find Annex Burger Next Door because Kids Are People too

Utah's liquor laws prevent anyone under 21 from being in a bar. However, No Name management bought a building next door and have a restaurant license for it. Named Annex Burger, it is the family friendly restaurant and bar side of No Name Saloon. It features the same menu as No Name, including their world famous buffalo burger, with the addition of a kid's menu. Bring the family and kick-back in their newest location.

You need not be 21 to enjoy the menu at the Annex. They have open seating and you do not need a reservation.

If you are looking for a casual place for lunch, après-ski, early or late dinner or just a place to hang out at the bar with your friends, No Name is your Park City place.

See Max or Logan at the bar and say "Hi" to Patrick the manager.

You will be back for more.
